

Website Accessibility Certification

OFFICE OF ENVIRONMENTAL HEALTH HAZARD ASSESSMENT

As required by Government Code section 11546.7, the undersigned certify that the Office of Environmental Health Hazard Assessment (OEHHA) has made a good faith effort to ensure that all OEHHA websites are designed, developed and maintained to comply with the principles of accessibility outlined within California Government Code Sections 7405 and 11135, and the Web Content Accessibility Guidelines 2.1, or a subsequent version, published as of June 30, 2023 by the Web Accessibility Initiative of the World Wide Web Consortium at a minimum Level AA success criteria. However, some content on our websites created prior to these requirements or that was or is provided to OEHHA by third parties, such as public commenters, may not be fully compliant. OEHHA is taking reasonable and feasible actions to identify and convert all such documents to compliant formats. OEHHA will continue to monitor the content of its websites to ensure compliance with accessibility laws including subsequent versions of the Web Content Accessibility Guidelines if and when they are released. If you are unable to access a given document, please contact our Webmaster at Master.Web@oehha.ca.gov to request the document in a format that is accessible to you.
