

Cal.Health & Safety Code § 25256.1 -

On or before January 1, 2011, the office shall evaluate and specify the hazard traits and environmental and toxicological endpoints and any other relevant data that are to be included in the clearinghouse. The office shall conduct this evaluation in consultation with the department and all appropriate state agencies, after one or more public workshops, and an opportunity for all interested parties to comment. The office may seek information from other states, the federal government, and other nations in implementing this section.
